OUR FACILITIES

Cantabria Infinita / *Endless Cantabria*

Cantabria Camp is a 32,000 square metres estate of gardens, educational and sport facilities. We are located on the banks of the river Rada, part of the Santoña Natural Park, a bird and sealife sanctuary.

WOODEN CABINS

264 beds are located in 30 wooden cabins with capacity for 4 or 8 persons each. Ideal for students. The toilets and showers are located in separate buildings.

264 

EDUCATIONAL FACILITIES

- 10 multipurpose classrooms.
- 1 large capacity classroom (35-40 students).
- 2 rooms for teachers.
- 2 support rooms.

SPORTS AND LEISURE FACILITIES

- Olympics swimming pool.
- 3 basketball courts, 2 football fields and 1 volleyball court
- Archery zone.
- Adventure tower: tower equipped with climbing wall and zip line.
- Indoor and outdoor playgrounds: table tennis and table football

TOILETS

There are 3 buildings dedicated to toilets and showers equipped with 10 showers and 10 W.C. each.

OTHER SERVICES

- Large parking for buses and cars.
- Reception and offices.
- Kitchen and dining room.
- A covered area of 400 square meters.

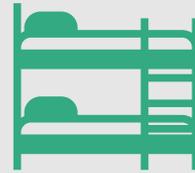

WELL COMMUNICATED LOCATION

- 5 minutes drive from A-8 highway.
- 30 minutes drive from Santander.
- 40 minutes drive from Bilbao (Basque Country).
- Many interesting sites and views within 1 hour drive.

SEASONAL RESORT

- Best times to visit: Spring, Summer and early Autumn.
- During the school year, we provide catering services for 3 schools in the area.

GREAT ACCOMMODATION CAPACITY

- Maximum sleeping capacity: 264 places.
- Accessible facilities for persons with reduced mobility.

CERTIFIED INSTRUCTORS

- 9 years working with Chelsea FC Foundation.
- 24 hour certified instructors taking care of our campers

BREATHTAKING NATURE

- Our property is located within the Santoña Natural Park, a bird and sea life sanctuary.

ACTIVITIES AVAILABLE

Placed in a privileged spot, surrounded by nature and close to urban areas, our camp has a lot to offer. There are plenty of available activities to enjoy both on site or a few kilometres away.

ARCHERY

Archery promoting the capacities of concentration and patience. Supervision by instructors following health and safety regulations.

RAPPEL

Descending steep slopes and harnesses overcoming fears of heights and building confidence.

ROPE BRIDGE

Balance and fun to achieve an individual or a team challenge. One of our campers' favourites.

CLIMBING WALL

Coordination and development of motor skills, focusing on ability to build strategies to reach a goal.

ZIP LINE

Not for the faint-hearted!
Total fun! Total excitement!

ACTIVITIES IN THE SURROUNDINGS

CANOEING

With this activity our campers develop balance and teamwork in the river adjacent to our estate, part of the Natural Park of Santoña.

MOUNTAIN BIKING

A combination of exercise and discovery of the landscape surrounding our facilities.

WATER ACTIVITIES

Surfing and paddle boarding: all the sea activities help the development of balance and confidence.

ACTIVITIES IN LAREDO

Activities of surfing, paddle boarding, sailing in the bay, hiking, visiting the historical centre of the town, etc.

OUR TEAM

We pay special attention to the selection and preparation of instructors that take care of our visitors.
All our staff are certified under leisure legislation and provide 24 hours vigilance and attention to every child.

We pay special attention to the selection and preparation of our instructors: our staff are certified under leisure legislation.
