IRELAND

EGA International is an English language school in Ireland accredited by ACELS, the Irish Chamber of Tourism and by different private centres and academies.

We are an educational centre, and for over 30 years our school has successfully implemented programmes for children and adults in Ireland with a complete immersion in Irish life and culture. As a result of our hard work, a high rate of students repeat this language experience in successive years.

Our Adult programme in Killarney is primarily aimed towards students who want to learn, improve or perfect their level of English. At the same time, this course encourages self-development and gives the opportunity to experience a new culture and another way of life, Irish mentality and traditions. This is one of the most useful adventures that you can experience.

KILLARNEY

Killarney Town

Killarney is situated in the south-west of Ireland. It has a population of about 10.000 inhabitants and it's one of the most beautiful areas in the country.

This town has a lot of tourists all year round, especially in summer and is surrounded by 25.000 hectares of national park. Killarney is truly a safe town and has all the conditions for studying, entertainment, recreational and cultural activities for our students.

KILLARNEY

Accommodation:

Families are key to the success of our programme. They are exceptionally caring and comply diligently with the programme rules, guaranteeing an improvement in the English level of the student. Only one student of any nationality is placed in a family unless an alternative arrangement is requested.

DATES

The dates are chosen by the student (2 weeks minimum).

FLIGHTS

Plane tickets & transfers are not included in the course price.
